WELCOME!

To BOLTON WANDERERS

JIM McDONAGH (Goalkeeper). In his second spell with Bolton. Jim rejoined Wanderers from Everton after a season at Goodison Park. The former Rotherham keeper was a member of Bolton's Second Division Championship Winning Side in 1978.

STEVE WHITWORTH (Defender). Joined Bolton for a bargain £25,000 from Sunderland last October. A stylish, experienced full-back, with well over 400 League appearances behind him, Whitworth earned seven England caps in his Leicester City days.

MIKE BENNETT (Defender). A member of the successful England Youth Squad which won the 1980 European Youth Championships in East Germany. Mick is one of the most promising youngsters in the game.

TONY HENRY (Defender/Midfield). Signed for £125,000 from Manchester City. A versatile player, Tony was one of the unsung heroes of Manchester City's revival in 1980/81, coming on as substitute in Manchester City's F.A. Cup Final appearance at the end of that season.

PAUL JONES (Defender). Paul is a tall, quick-tackling defender who has been a member of the Under-23 and Full England squads. He is a commanding player in the air as well as on the ground and has a habit of scoring vital goals.

MIKE DOYLE. Veteran, former Manchester City and England defender, joined Wanderers last January from Stoke City for a 'nominal fee'. Doyle made a dramatic start to his Bolton Days, conceding an own

goal on his debut, and being sent off in his second game, but he has brought a steadying influence to the side.

JEFF CHANDLER (Forward). A livewire winger with an abundance of skill and control, Jeff cost Wanderers a modest £40,000 when he signed from Leeds United last October. The Hammersmith-born lad, who began his League career with Blackpool, has won International recognition with the Republic of Ireland.

WAYNE FOSTER. A former local schoolboy, Foster came on to the Wanderers scene early last season and from then on commanded a regular place in the attack. Recognised at representative level, Foster got his first England Youth Cap in Scotland in a European Championship Qualifier.

ALAN GOWLING (Striker). Signed for a £120,000 fee from Newcastle United after four years at St. James' Park. Started his career with Manchester United and then moved to Huddersfield. Has won tremendous respect both on and off the field and is a leading light in the Professional Footballers' Association of which he is the current Chairman.

LEN CANTELLO (Midfield). Len cost the Wanderers a record £350,000 fee when he signed from West Bromwich Albion in June 1979. He is the sort of mid-field player who delights in stamping his authority on a game.

CHRIS THOMPSON (Striker). A speedy attacker with plenty of skill, Chris joined the Wanderers from school.

Sam Ellis Column

May I on behalf of the Playing Staff at Bloomfield Road say a warm hello and welcome to all the fans. A new season is nearly upon us and at this time clubs everywhere look forward to a successful season and we are no exception to this, the players have prepared themselves well and we are ready to go.

I intend using the three Lancs. Cup games and the one against the Fylde Select as part of our pre-season preparation. This means that the real business doesn't start until Mansfield on the 28th.

The purpose of these games now, is that it gives the players a chance to show me their attitude and commitment to Blackpool Football Club. Each player now starts as part of a squad, and will be playing for a first team place in that Mansfield game, and from there on it will be up to him to keep it.

I will be looking, in particular, at the effort each individual puts into his game, because without a willingness to work hard at all times, we will have no base to build on.

It is my intention to build a team of players who are prepared to work until they drop to represent the supporters of Blackpool Football Club.

The games played so far have been nothing for us to get carried away with. It's easy for us, as a fourth division side, to go out and play local rivals from higher divisions – it's their scalps that are on the line, not ours.

Not until we have given the effort for 46 fourth division games, though, will I be convinced.
